Understanding Medicare

LEARNING THE BASICS

Original Medicare

Original Medicare includes two parts: Part A (Hospital Insurance) and Part B (Medical Insurance). Original Medicare covers most, but not all of the costs for approved health care services and supplies.

Medicare Advantage

Medicare Advantage bundles your Part A, Part B and usually Part D coverage into one plan. Plans may offer some extra benefits that Original Medicare doesn't cover – like vision, hearing and dental services.

	Original Medicare (PART A+B)	Medicare Advantage (PART C)
Costs	You pay part B premium, deductible and coinsurances	In addition to your Part B premium, you pay low (or no) monthly premium and copays
Maximum Out-of-Pocket Costs	No Limit	Annual Limit

KEY MEDICARE TERMS

Coinsurance

The costs that you and the health insurance plan pay are split on a percentage basis.

Copay

The fixed amount you pay at the time you receive a covered service.

Deductible

The amount you pay before a plan covers your prescription drug costs.

Maximum Out-Of-Pocket (MOOP)

The maximum amount you pay during a policy period (usually a year). After you reach your out-of-pocket maximum, your plan pays 100% of the allowed amount of covered services for the rest of the policy period.

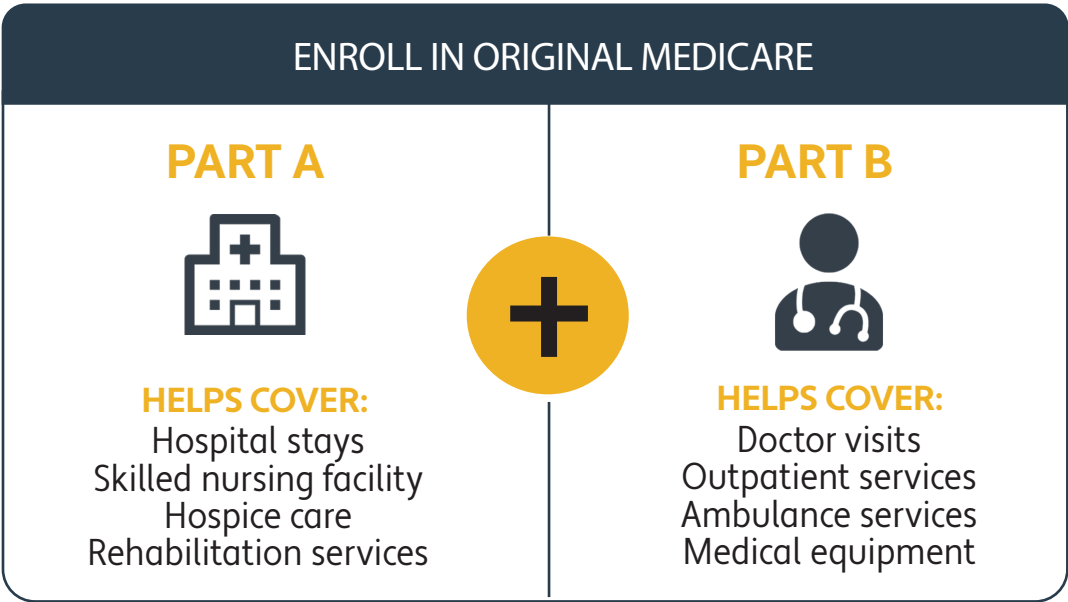

Premium

The fixed amount you pay your health insurance or plan for Medicare coverage. Many Advantage plans do not have a premium.

KNOW YOUR COVERAGE OPTIONS

There are two main coverage options for people who are eligible for Medicare. Cost and coverage will differ for each option, so it’s important to identify your desired level of comprehensive coverage in order to fit your health, budget and lifestyle needs.

STEP 1:

STEP 2:

IF NEEDED, CHOOSE ADDITIONAL COVERAGE	
<div>OPTION 1:</div> <div>Add one or more of these plans to supplement your original Medicare</div>	<div><div></div><div>PART D</div><div>Helps cover prescription drugs and is offered by private companies</div></div> <div>And/Or</div> <div><div></div><div>MEDIGAP OR SUPPLEMENTAL PLANS</div><div>Helps cover some or all costs not covered by Parts A & B</div></div>

WHAT IS PART D COVERAGE?

Medicare Part D, also known as Medicare drug coverage, helps cover the cost of prescription drugs. It's optional and only offered through private insurance companies approved by the federal government.

Part D Changes Starting 2026

No more coverage gap phase - aka 'the donut hole'

There will no longer be a stage in drug coverage where Part D enrollees have to pay 100% of their medication costs. This will save thousands of dollars for people who take high-cost drugs for cancer, rheumatoid arthritis and other serious conditions.

Lower out-of-pocket spending cap

The annual out-of-pocket cap for prescription drugs is \$2,100. This means that no matter how much your medicines cost, you will never have to pay more than \$2,100 a year.

Medicare Prescription Payment Plan (M3P)

This program will offer Part D enrollees the option to pay out-of-pocket prescription drug costs in the form of capped monthly payments, instead of all at once at the pharmacy. This option can help enrollees who face high prescription drug costs to manage these costs by spreading them out over the course of the plan year.

Part D Coverage Phases

With Medicare Part D, the amount you pay for prescription drugs is dependent on one of these phases:

1

Annual Deductible

During the deductible phase, you are responsible for the full cost of your prescription drugs until you meet the Medicare Part D deductible.

3

Catastrophic Coverage

After you've reached your out-of-pocket maximum of \$2,100 for prescription drugs, you will pay \$0 for covered drugs on the plan's drug formulary for the duration of the calendar year.

2

Initial Coverage

Your plan will pay a portion of your prescriptions as long as they are covered under the health plan formulary. The amount you'll pay for a prescription drug is determined by 1 of 5 tiers in which the drug is located. You will be responsible for copays and coinsurance until you've reached the new out-of-pocket threshold of \$2,100. Listed below are the 2026 Part D coverage tiers for each plan:

Medicare Advantage HMO	Medicare Advantage DSNP
• Tier 1: \$0 Copay	• Tier 1: 25% coinsurance
• Tier 2: \$5 Copay	• Tier 2: 25% coinsurance
• Tier 3: 23% coinsurance	• Tier 3: 25% coinsurance
• Tier 4: 44% coinsurance	• Tier 4: 25% coinsurance
• Tier 5: 30% coinsurance	• Tier 5: 25% coinsurance

Deductible \$200

Deductible \$615

Our Medicare Advantage Prime Value MA Only plan does not have Part D drug coverage.

Extra Help Drug Program

This program is for members who have limited income and resources to pay for a Medicare prescription program. It can help pay for premiums, deductibles, and copayments. To find out if you qualify call 1-800-MEDICARE.

Enrollment Information

WHEN YOU CAN ENROLL

When you're 65 and new to Medicare, there can be a lot of dates to remember. There are four enrollment periods for Medicare Advantage Plans and Medicare Prescription Drug Plans:

Initial Coverage Enrollment Period (ICEP)

Enroll when you first become eligible for Medicare. You are eligible to enroll 3 months before your 65th birthday, on the month of your 65th birthday and 3 months after you turn 65. If you do not enroll in Medicare within your initial enrollment period, you could be charged a late enrollment penalty.

Annual Election Period (AEP)

During the Annual Election Period you may enroll in a Medicare Advantage plan, switch from one Medicare Advantage plan to another or go back to just having Original Medicare with a PDP plan. Your coverage will begin January 1 of the next year.

Open Enrollment Period (OEP)

If you already have a Medicare Advantage plan, the Open Enrollment Period gives you a chance to switch back to Original Medicare or change to a different Medicare Advantage plan, depending on which coverage works better for you.

Special Enrollment Period (SEP)

You may enroll in a Medicare Advantage plan when certain events happen in your life, including relocation, FEMA emergencies, loss of coverage or when your employment coverage ends.

For more information on Medicare eligibility and enrollment periods, go to [Medicare.gov](https://www.Medicare.gov).

PRE-ENROLLMENT CHECKLIST

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 855.645.8448 (TTY 711).

Understanding the benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially those services for which you routinely see a doctor. Visit mhhp.org/ma or call 855.645.8448 (TTY 711) to view a copy of the EOC.
- ☐ Review the Provider Directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the Pharmacy Directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding important rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1 of each year.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the Provider Directory).

SCOPE OF APPOINTMENT

The Centers for Medicare and Medicaid Services requires agents to document the scope of a marketing appointment prior to any individual sales meeting to ensure understanding of what will be discussed between the agent and the Medicare beneficiary (or their authorized representative). All information provided on this form is confidential and should be completed by each person with Medicare or his/her authorized representative.

Please initial below beside the type of product(s) you want the agent to discuss:

Medicare Special Needs Plan (SNP): A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

By signing this form, you agree to a meeting with a sales agent to discuss the types of products you initialed above. Please note, the person who will discuss the products is either employed or contracted by a Medicare plan. They do not work directly for the federal government. This individual may also be paid based on your enrollment in a plan. Signing this form does NOT obligate you to enroll in a plan, affect your current or future Medicare enrollment, or automatically enroll you in the plan(s) discussed.
